

## GMDSS

### General specification of MCM-2004 GMDSS simulator.

NN	Product performance	Quantity
1	Instructor Working Place (IWP).	
1.1	IWP software.	1
1.2	Personal computer:	
1.2.1	processor main unit (in accordance with «Technical Description»);	1
1.2.2	monitor;	1
1.2.3	keyboard;	1
1.2.4	«mouse» manipulator;	1
1.2.5	telephone handset (special production);	1
1.2.6	software protection.	1
1.3	Printer (dot-matrix printer).	1
1.4	Consol.	1
2	Operator Working Place with simulators of ship equipment control panel.	
2.1	Operator Working Place software.	1
2.2	Personal computer:	
2.2.1	processor main unit (in accordance with «Technical Description»);	1
2.2.2	interface board;	1
2.2.3	monitor;	1
2.2.4	keyboard;	1
2.2.5	«mouse» manipulator;	1
2.2.6	software protection.	1

2.3	Printer (dot-matrix printer).	1
2.4	Simulators of ship equipment control panel:	
	simulator of power supply control panel;	1
	simulator of storage batteries charge indicator;	1
	simulator of VHF TRP 3000 radio station control panel;	1
	simulator of DSC 3000;	1
	simulator of MF/HF TRP 7000 radio station control panel;	1
	simulator of DSC 9000;	1
	simulator of INMARSAT-C Thrane & Thrane «TT-3022D» Ship Earth Station (main unit);	1
2.5	Consol.	1
3	Modeling ship equipment on PC screen Operator Working Place.	
3.1	Operator Working Place software.	1
3.2	Personal computer:	
3.2.1	processor main unit (in accordance with «Technical Description»);	1
3.2.2	monitor;	1
3.2.3	keyboard;	1
3.2.4	«mouse» manipulator;	1
3.2.5	telephone handset (special production);	1
3.2.6	software protection.	1
3.3	Printer (dot-matrix printer).	1
3.4	Consol.	1
4	Network component parts.	
4.A	Coaxial network.	
4.A.1	Working Place complete assembly (general supply):	
	network cable (M);	3
	BNC- connector;	2
	T- connector.	1

4.A.2	Coaxial network terminator.	2
4.B	«Twisted-pair» cable network.	
4.B.1	Working Place complete assembly (general supply):	
	network cable (m);	3
	network connector.	2
4.B.2	Network switch (HUB) (in accordance with working places number).	
5	User's manual.	
	Technical Description.	1
	Specification.	1
	Instructor's manual.	1
	Operator's manual.	1
6	Medium.	
6.A	CD disc.	1
6.B	3.5" disket.	10
